Dear Transitional Kindergarten Family,

With Colville School District increasing face-to-face instruction for more students while maintaining safe social distance, the Transitional Kindergarten class needs a larger space. Fortunately, we have a double room available to us at the Aster building. Therefore, Hofstetter is moving our Transitional Kindergarten program to the Aster building at 225 S. Hofstetter. The Aster building is connected to the District Office. Mrs. Phelps and her Transitional Kindergarten students will be on the second floor of the building. Other classrooms on the second floor include Colville School District's Developmental Preschool taught by Mrs. Rogers and Colville Headstart. **March 8 is the first day for our Transitional Kindergarten students to attend their new classroom on the second floor of the Aster building.**

Families who drop-off and pick-up will utilize the round-about located on the upper field at the back of the building. Drop-off and pick-up will be clearly marked the first week. Our bus students will be contacted individually to be informed of changes. TK students will enter and exit the building on the second floor only. Breakfasts and lunches remain free until the end of the year. Students will eat breakfast and lunch in the classroom. Students will still have PE, music, library and technology enrichment and go to recess at least twice a day. After lunch, relaxation and nap time will continue. Class will still start at 8:00 am, however dismissal time will go from 2:15 pm to 1:30 pm. This time change is necessary to accommodate buses picking up students at all five Colville School District buildings.

On March 4 and March 5, Mrs. Phelps will be scheduling TK families to come see the new classroom. If you are interested in touring the new classroom, please contact Mrs. Phelps for a scheduled time.

Mrs. Phelps and I will hold an informational Zoom meeting for all TK families at 5:30 pm on Thursday, February 25.
