Concert Instructions

- Choose a date & time when your child can perform for your family with the video
- Make this a special event, just like our big concerts in the theatre
- Choose a special place for your child to perform, maybe in front of the Christmas tree, in the living room with family, etc.
- Go to your Colville School District Website at <http://hof.colsd.org/>
- Find Winter Concerts & click on your child's grade level. There you will find their Winter Concert video ready to perform with.
- If you are using a *USB*, find "Winter Concert" – Play video, it is ready to perform with.
- For best sound, connect external speakers to your computer or device being used
- Have a **WONDERFUL** time and enjoy the show

Thank you families for helping to create a wonderful learning experience for your child. I appreciate you and all you do.

Musically Yours, Ms. Richie ❄️
